UKIP's boss Farage aims '...to target everybody'

UKIP leader Nigel Farage has said his party is "targeting everybody", as he campaigns in Kent ahead of the Rochester and Strood by-election.

Mr Farage said UKIP was "its own force" and rejected any electoral pact with the Tories for the general election.

He was campaigning with two ex-Tories – Mark Reckless, who is standing for UKIP in Rochester, and Douglas Carswell, who has become UKIP's first elected MP.

Tory and Labour MPs called for a response to UKIP's surge.

Mr Reckless, whose resignation as the Conservative MP for Rochester and Strood triggered a by-election, said UKIP would "bring decisions back from Westminster" and "put local communities in charge".

Mr Carswell urged voters to "choose change".

He praised Mr Reckless for his decision to seek voters' approval in a by-election and criticised other parties for conducting "a highly personal, aggressive smear campaign" against the UKIP candidate.

Bojo says Blair 'copied Hitler'

FORMER Prime Minister Tony Blair owes part of his success to copying ADOLF HITLER, top Tory Boris Johnson has claimed.

In a new book on Sir Winston Churchill, *The Churchill Factor*, the Mayor of London controversially suggests Mr Blair "copied" some of the Nazi leader's traits.

He writes: "Look at Hitler, if you can bear it, and see his hypnotic quality.

"First the long, excruciating pause before he speaks; and then see how he begins so softly – with his arms folded – and how he uncoils them as his voice starts to rise, and then the awful jabbing fluidity of his gestures, perfectly timed to intensify crescendos in his speech....

"It was to become a highly influential technique, copied, among others, by Tony Blair."

POO-EATING MIGRANTS BLOCK BRITAIN'S SEWERS

DIS-ARSE-TER: Molluscs could cause flooding

DIRTY FOREIGNERS: Mussels eat our filth

SHIT-SCOFFING migrants from eastern Europe are threatening to block sewers across Britain – leading to widespread flooding and tidal waves of POO this winter.

The invaders – quagga mussels originating in Ukraine – have been discovered at Wraysbury reservoir, near Heathrow Airport, the Wildfowl and Wetland Trust (WWT) said.

Quaggas form huge poo-sucking colonies which can block pipes and cause flooding, the trust said.

Department for Environment, Food and Rural Affairs teams will be deployed to tackle the molluscs and check for other infestations.

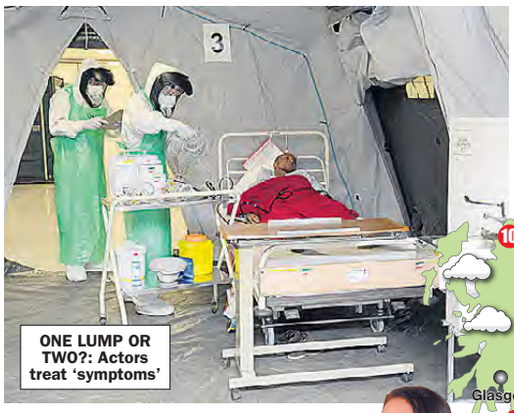
The 1½in bivalves spread across Europe as new canals opened.

If they take hold in Britain householders can expect water bills to double or even TRIPLE as authorities battle to tackle the scourge and prevent widespread flooding.

OPERATION EBOLA!

Emergency teams in 8hr plague lockdown exercise

DEADLY SERIOUS: Staff go though routines for if virus (*above*) strikes



ONE LUMP OR TWO?: Actors treat 'symptoms'

A NATIONAL exercise to test Britain's readiness for an Ebola outbreak took place yesterday.

Government ministers joined dozens of medical professionals from hospitals, the ambulance service and Public Health England for the eight-hour drill in locations across the country.

In a real emergency, experts explained, ministers would be whisked away to germ-proof bunkers.

Actors simulated symptoms of the deadly virus by squirting blood-coloured water out of their arses while emergency staff wiped up the mess with special germ warfare mops and Cillit Bang.

A pretend meeting of the Government's Cobra emergency committee was also held, chaired by Health Secretary Jeremy Hunt.

One minister said the exercise was "very exciting indeed" and "almost as good as Grand Theft Auto".

The exercise was ordered by Prime Minister David Cameron as part of the UK's contingency plan against Ebola, which has killed more than 4,000 people in West Africa.

The Department of Health refused to reveal the locations of the exercise for fear of causing panic.

A spokeswoman said: "The public can be assured that we have been planning our response to an Ebola case in the UK for many months now."

Forecasters expect two weeks' worth of rain to fall in the next few days, making Britain damper than an over-subscribed 'Golden Showers' sex party.

Sunday will start cold and foggy, with much frost, though things will improve as the day wears on.

Monday will see gusts of 50mph making old ladies fall over.

Flooding should also make your commute a complete ballache.

Kim's 'new sex tape' is cruel fake!

BUSTY socialite Kim Kardashian has been caught up in a fresh SEX TAPE controversy.

The American pin-up (*above*) shot to fame in 2007 when a video showing her shagging ex-boyfriend Ray J was leaked to the net.

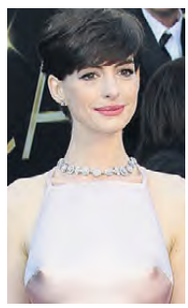
Now a fresh flick – unleashed as part of the celebrity photo hacking scandal known as *The Fappening* – claims to show Kim, 33, romping with a mystery white male.

But while fans flock to ogle the X-rated scenes, we can reveal the footage is a cruel FAKE.

So far Kim has yet to comment on the spurious bongo vid.

But the missus of rapper Kanye West recently hinted that she is still a fan of creating DIY grumble movies.

Kim said: "Kanye and I have an amazing sex life. So far as the sex tape is concerned, whether or not we've made another…if we have, it's not something I want to go public. I never want to make the same mistake twice."



Anne has a way with her nipples

RED-FACED movie babe Anne Hathaway has let slip her POINTY NIPPLES hell.

The actress famously picked up a gong for Best Supporting Actress at the 2013 Oscars for her role in *Les Miserables*.

But she says the glitzy bash was overshadowed by the dress she wore, which made her chapel hat pegs look like bullets!

The 31-year-old *Dark Knight Rises* stunna (*above*) revealed: "I didn't have a friggin' dress the night before the Oscars.

"I look in the mirror, turn to my husband, and say, 'It looks like my nipples are hard.'

"He says, 'You look beautiful. Your nipples look pointy. The red carpet's about to close. We gotta go'."

WEDNESDAY

PRIME Minister David Cameron apologises to the Queen in their first face-to-face meeting since he was overheard boasting that she had "purred" at him.

The details of the meeting remain private – until Dave blabs again – but we understand that he offered a solemn apology which Her Maj graciously accepted.

He then tickled her tummy, slipped her a piece of chicken and let her bat a ball of foil around the main banqueting hall.

THURSDAY

A 10-YEAR-OLD boy is refused access to a school in Stockport, Greater Manchester, over fears that he may have caught Ebola on a trip to Sierra Leone with his mother.

What on earth was she thinking of, taking a child to an area like that? Never mind the disease, what about the guns, the crime, the savagery?

He'd have been better off staying in Sierra Leone.

FRIDAY

BBC cricket commentator Jonathan Agnew says he will no longer chat to fans on Twitter after he was bombarded with abuse.

One "troll" said they hoped he was the "first person in Britain to catch Ebola".

He needn't worry about that. Before his broadcasting career Aggers played Test cricket for England – so the chances of him catching anything are slim.

Roy Keane on Man Utd showers:
"We'd always brag about the size of our cocks. Mine is pretty average to be honest. Nicky Butt has the biggest cock you've ever seen. SKY Sports presenter Gary Neville has a cock the size of a button mushroom while former teammate Nicky Butt's member is so huge he can swing in around like the sails of a windmill.

Those were just two of the "revelations" apparently leaked from Manchester United legend Roy Keane's autobiography, which was published last week.

The only problem is, the claims are FALSE and the so-called "extract" from Keane's book was a HOAX!

Dad-of-two Neville, 39, became the subject of cruel jibes as the bogus extract ricocheted around social media sites, while Butt was hailed as a mega-cocked hero by the red side of Manchester.

By JUSTIN DUNN
justin@sundaysport.co.uk

The invented text had ex-Man United captain Keane commenting on the knob sizes of his former dressing room colleagues.

Todger

Butt – now manager of United's reserves and co-owner of rising non-league club Salford City FC – receives what most men would consider high praise for his todger length.

But Neville – another former Red Devils captain who is now a respected broadcaster on Sky Sports – was not so lucky.

The made-up quotes, gleefully seized upon by fans of the club's rivals, sees Keane supposedly saying: "We'd always brag about the size of our cocks. Mine is pretty average, to be honest.

"Nicky Butt has the biggest cock you've ever seen. He'd waddle around the showers doing the f***king windmill at people.

"Poor Gary Neville though. He always showered with his back to the other lads.

"One day I grabbed him and spun him around for a gander.

"The poor f**ker's got a little button mushroom. I've seen more meat on a vegan lunch menu."

It's believed the parody was first planted on a forum website dedicated to United's local rivals Man City.

But Keane's book, *The Second Half*, contains NO references to any of the players in the showers.

The 43-year-old instead concentrates

It does, however, contain much of the ex-Ireland midfielder's famously straight-talking – with lots and lots of swearing!

The term "f**k" gets 100 mentions, "c***" six mentions, with "wanker", "pricks" and "bloody" all getting four entries in the 304-page tome.

LOVELY GLOVELY: Juicy Jeny spoiled keeper Courtois' clean sheet record

COURTOIS SEX CLAIM GIRL – TOPLESS!

THESE are the bare BOOBS that have reportedly stung the palms of Chelsea goalkeeper Thibaut Courtois.

The 22-year-old shot stopper has been accused of cheating on his long-term girlfriend Marta Dominguez with pretty tapas bar waitress Jeny Sanchez.

And after one look at 25-year-old Jeny's tasty treats, you can see why Belgium international Courtois is rumoured to have wanted to get his mitts on her!

The saucy allegations were made by Jeny in Spanish mag *Interviu*, where she also appeared TOPLESS.

The busty brunette purred: "Thibaut told me after we slept together that his relationship was on the rocks and he loved spending time with me.

"But I see now I was just his bit on the side. He enjoyed me before chewing me up and spitting me out."

Courtois moved to Chelsea in 2011, but spent three years on loan at Atletico Madrid before breaking into the Blues' first team this season.

THE VOICE OF YOUR BRITAIN

Ebola: Time for the truth

ONLY a fool would claim that Britain will avoid the plague of Ebola as it ravages the globe and decimates humanity.

Cataclysm is assured. Soon, our daily routine will consist of nothing more than grieving for our dead and burning their corpses.

For such an epoch-changing event, preparations must be made.

Food must be stored. Defences must be built. Firearms must be cleaned and readied.

So, why will the authorities not admit the tidal wave of Ebola has already broken on Britain's shores?

Our story on page 9 today reveals that a cat with Ebola has been spotted on the set of popular soap opera Emmerdale.

If the contagion has reached the fictional corners of the Yorkshire Dales, then it has surely reached every part of Her Majesty's realm.

Britain is facing for a trial on a scale unseen since the days of the Black Death. We know that millions will die in the coming months.

But we need to prepare. For that we need information.

We need to be told the truth.

I'm an Isis terrorist and I'm alright...

IN addition to plague we must also deal with the menace of the blood-crazed lunatics aligned to terror outfit Islamic State.

They career in a frenzied camel-gallop towards the great cities of Europe, scimitars glinting in the sun and voices ululating the battle cries of Saracen.

It is a terrifying spectacle. One which makes the blood run cold.

But does it seem quite so alarming when we are told these warriors from the East wear suspenders, peek-a-boo bras and crisp, white, girliepanties under their battle dress?

Today's Sunday Sport reveals that the maniacs we face in the Mesopotamian desert like nothing more than dressing as women and dancing to disco records.

There.

Not so scary, now, eh?

Locked in pub fridge drunk gets banged up

A DRUNK stumbled into a pub's walk-in freezer thinking it was the bogs…and got locked in.

Sean McAvoy, 21, was convicted of causing criminal damage to the fridge in his local while attempting to escape.

He claimed he got locked inside after mistaking the kitchen area for toilets and was forced to break his way out as oxygen in his icy cell began to run out.

Police were called to the Bank bar in Newry, Co Armagh, after the manager rang them thinking a burglary was in progress.

Cops found a mobile phone belonging to McAvoy at the scene.

Later at his home, McAvoy told officers: "Is it because of the Bank? I was locked in the fridge".

His lawyer said his client had no intention of burglary – he was extremely intoxicated – and it was only the charge of criminal damage that was appropriate.

Jailing McAvoy for three months, district judge Eamonn King said: "I have explained to him if he is going to have a career as a criminal, it is not a good idea, as he always gets caught, because of alcohol."

DEWANI PAID ME £300 TO SQUIRT TIZER UP HIS BUM!

Murder plot tycoon wore TIGER mask during bizarre act with teen rent boy

ON TRIAL: Kinky enema fan Dewani and (*below*) in happier times with his dead wife

PAID FOR SEX: Kyle was asked to squirt full bottle of fizzy pop up Dewani's bumhole

By SIMON DEAN
simon@sundaysport.co.uk

MURDER plot suspect Shrien Dewani paid a rent boy £300 for a kinky enema – using the popular fizzy drink TIZER as arse-flushing fluid.

What's more, the millionaire wore a plastic tiger mask while Kyle Garside pumped one-and-a-half litres of the crimson pop into his well-used bottom.

Kyle, of Kilburn, north west London, decided to speak out as Dewani, 34, stands trial for allegedly arranging a "hit" on his new wife Anni back in 2010.

The Dewanis were car-jacked while on their honeymoon in cape Town, South Africa.

Shrien escaped but Anni was murdered.

Three South African men have since been jailed for Anni's murder.

Shrien Dewani has fought a long legal battle against extradition to South Africa but his trial began last week.

Oysters

Court records show that Dewani logged onto gay hookup site Gaydar while on honeymoon with Anni – two days before he allegedly arranged her murder.

On a profile cited as belonging to him, it states a preference for hooking up with men aged between 18 and 99 years old "for 1-on-1 sex, group sex or other activities... with single gays or bisexuals".

Describing his body type as "defined", Dewani cites himself as "submissive cocksucker, filthy-minded and perverted" who is looking for like-minded partners the "same as me, filthy and perverted but safe"

The profile makes no mention of Dewani's penchant for having his colon rinsed with fizzy pop while staying at a posh west London hotel.

Three years ago Kyle, then aged 19, got the call to satisfy Dewani's fizzy pop lust via a paid homosexualism agency.

He said: "I've had some bizarre requests over the years – watersports, felching, fisting, hot brown oysters, tarmacking, forced dirt, sock play, noodles and chap's eye stretching.

"But I've never been asked to squirt a full bottle of Tizer up someone's arse before. Irn-Bru I can understand…but Tizer? It's just wrong.

"Still, £300 is £300, so I did the business. Thankfully, he didn't want any post-enema rimming, because I don't really like Tizer.

"I still have no idea why he wore the tiger mask. It's not up to me to judge. I just do the job.

"When I saw Shrien on the news and that his wife had been murdered on honeymoon, I thought, 'Wife?'

"I have no idea if he is guilty or innocent. Safe to say, he's a kinky sod and I'm glad it wasn't my job to wash them sheets."

CBB Casey has Lara in her sights!

BUXOM beauty Casey Batchelor is planning a new career as an ACTRESS – and has got Angelina Jolie's role as Lara Croft in her sights.

Top-heavy *Celebrity Big Brother* babe Casey (*above*), 30, certainly has the boobs to fill the *Tomb Raider* character's trademark skin-tight costume.

And she says: "I could be Angelina Jolie's daughter that's come through and taken over. I'd love to get a nitty-gritty role like that."

Glamour model Casey recently went under the knife to shrink her 32GG boobs to a 32EE chest.

The Hollywood-bound babe is also eyeing up a role on BBC One's *Strictly Come Dancing*.

She said: "*Big Brother* was just so massive for me. It's time for me to catapult that even more and do what I want to do and love doing."

Red Bull gives you £6 payout

THE makers of Red Bull have agreed to pay to pay out £6 to everyone who bought the drink since 2002 – because the fizzy pop DOESN'T give you wings.

Benjamin Careathers, a regular consumer of the fizzy drink, sued the firm for false advertising, arguing that after 10 years drinking the energy drink he neither had wings nor any enhanced athletic or intellectual performance.

Fearful of a costly and time-consuming trial, Red Bull was forced to settle the case out of court, pledging to refund the sum to any U.S. customer who bought the drink since 2002 and agreeing to amend future advertising.

The drinks giant must pay £8m to settle the suit, £4m of which will go into a fund that will be paid out to an estimated 1.4 million consumers, who can apply for the refund through a specially created website.

However, a spokesman said:"Red Bull maintains its marketing and labeling have always been truthful and accurate."

Still pert at 42, the actress's pink teat is seen as she tries to close down a laptop during filming of her homemade sex romp with co-star Jason Segel, 34.

Elsewhere in the film Diaz is seen rollerskating in just a pair of red knickers and a see-through T-shirt with NO bra and her nipples clearly poking through.

Modest

The normally modest star's decision to bare all has helped the comedy take MILLIONS at the box office all over the world.

It centres on married couple Diaz and Segel recording themselves having sex then unwittingly uploading it online for all their friends to see.

One Hollywood insider said: "Cameron is one of the hottest women in the world. Who wouldn't want to see her nipples?"

HAS EMMERDALE CAT BROUGHT EBOLA TO THE DALES?

Terror as diseased mog is spotted on soap set

HORROR: Bernice (Samntha Giles) with Kerry (Laura Norton) and in the background, the death cat

By SIMON DEAN
simon@sundaysport.co.uk

AN EXPERT fears horror death plague Ebola has ALREADY arrived in Britain and has infected a CAT on the set of *Emmerdale*!

Disease boffin Dr Felix Harwood, a keen fan of the Yorkshire-based sheep-and-shagging soap, claims to have seen the pestilent puss THREE times on the show.

And Dr Harwood says the fact an Ebola-infected cat is strolling around the set of Britain's third most popular soap is proof that the scale of the emergency has been hopelessly underestimated.

Former University of West Lancashire research fellow Dr Harwood shuddered: "A few weeks back I spotted a cat in the background while I was watching Emmerdale and it did not look well. I said to myself 'I bet that cat's got Ebola'.

"Next time I saw it, the cat looked even worse – clearly displaying the progression of this dreadful disease.

"I have a pal who works for Yorkshire TV and he gave me preview tapes of an episode which will be screened on this coming Friday. Sure enough, there was the cat – foaming at the mouth and coughing up blood. I've tried to warn the producers of *Emmerdale*, West Yorkshire Council and the Department of Health but they've all asked me if I'm drunk.

TERRIBLE TOLL: 1,000s are dead from Ebola in Africa

"Of course I was drunk! We are staring at the extinction of the human race, for God's sake!"

Last week a dog belonging to a Spanish nurse who has Ebola was destroyed over fears the hound could spread the horror pandemic.

After Ebola spread from west Africa to the USA, Australia and Spain – like some sci-fi contagion – our government has belatedly announced travellers arriving in Britain will be screened for the bug.

Thousands have so far died of Ebola, which kills up to 90 per cent of those it infects by making them shit out their kidneys and puke their spleen – through their eyes!

SPEAKING of bitches, *TOWIE* kicked off their new series in Ibiza.

Cat-fights, cheating confessions, Bobby Norris in some WEIRD swimwear. It all seems a bit "same shit, different day", doesn't it?

But I'm sending loads of love to the stunning Dannielle Armstrong *(above)* who revealed she had a miscarriage. She and James Locke would be amazing parents because they're amazing people regardless of what you see on TV.

The show definitely needs shaking up though.

I'm so happy Mario Falcone is back – he is brilliant telly and showed he's a genuinely nice lad when he is in *CBB*.

I like the bromance going on with him and Ricky Rayment. I just wish they would get rid of boring skanks like Lydia Bright and Lauren Pope.

She said: "The whole experience was a little surreal, I have to be honest.

"Obviously, Ben Affleck is one of those people... you know his face.

"I grew up knowing that face! Not sure he would like that.

"It's difficult letting go with someone when you feel you know them so well like that."

Emily, 23, shot to fame after appearing TOPLESS in the X-rated music video for Robin Thicke's worldwide hit *Blurred Lines*.

Coming over here, stealing our knobs

RANDY foreigners willing to perform extreme sex acts on camera for "half the price" are ruining the British porn industry, according to an insider.

Adult actress Kiki Minaj claims the amount of money offered to porn stars has declined considerably over the last two years because of an influx of girls from Eastern Europe.

The Television X babe reckons she has had to become more "open minded" about what she's prepared to do over fears Polish girls will take her wage.

She said: "When I started I was booked for filming three or four times a week, now it's once if you're lucky.

"If you don't do special stuff, you get someone from Poland who will come and do it for half the price."

Kiki's latest scene involves another woman f**king her up the arse with a baseball bat.

ALE OF A WAY TO SEE KNOCKERS

STUFFY feminists have slammed brewery bosses after they unveiled a new ad campaign featuring barely-covered BOOBS!

The promo by Mother Earth Brew Co features a "Love your Cans, Love your Mother" slogan.

But while male admirers are lapping it up, angry women want to BOYCOTT the booze.

One wrote on the Mother Earth official Facebook site: "You've lost my business."

But another responded: "If this bothers you then maybe you are too easily offended. Give me a break."

SEX LUTHER!

Cop's obsessed pal in explicit new movie role

By JUSTIN DUNN
justin@sundaysport.co.uk

IT'S been said in some quarters that all women are stark, staring MAD.

And none more so than Alice Morgan, the psycho parent-killer who top telly detective Luther could not catch.

Viewers watched transfixed as the pair struck up an unlikely relationship – though they were left wondering if the pair ever get it together.

The third and final BBC series of *Luther* ended with a cliffhanger which won't be resolved either way until a final feature film spin-off goes into production.

But for fans of actress Ruth Wilson, here's a peek of what Luther COULD have won if he'd finally made his move on the cold-eyed nutjob.

MAD AS F**K: Ruth in *The Affair* (*below*) and in *Luther* (*right*)

Ruth, 32, stars in new series *The Affair* on US network Showtime, playing ANOTHER scheming character called Alice.

The series centres on Alice and her husband taking a holiday at their home in the posh Hamptons, New York, where both end up having affairs with a neighbouring married couple.

Ruth – who also starred in *The Lone Ranger* with Johnny Depp – goes TOPLESS for one sex scene and is filmed getting back-ended over a car bonnet in another.

One production source said: "Ruth is perfect for the role."

Marr mistake! Prezza called star 'bastard'

BBC political pundit Andrew Marr has told how he was a victim of mistaken identity when he came under attack from a red-faced John Prescott (*above*) in a hotel corridor.

"I was at the Labour party conference in Bournemouth and I had just done my piece for the 10 o'clock news," recalled Andrew at the Cheltenham Literature Festival.

"John Prescott was there and I had interviewed him earlier. With John Prescott you never knew what he was going to say – half the time he didn't either.

"Anyway, I was walking along a corridor in the hotel when suddenly round the corner came John Prescott, bright red-face, arms flailing like a demented combine harvester.

"He poked his finger in my chest and said 'bastard, f***ing bastard, bastard' and then went off down the corridor. Thirty seconds later he came back and said 'Oh, sorry, wrong bloke!'"

UKIP BOSS BUNGLE HELL

UKIP politician Paul Nuttall is under an odd cyber attack as net wags claim he was the original Bungle in kids' telly show *Rainbow*.

Paul, the party's deputy leader and columnist for our sister publication *Midweek Sport*, found the reference repeatedly inserted into his Wikipedia profile.

His entry on the online encyclopaedia reads: "Between academia and politics, Paul Nuttall lived and worked in Barcelona before going back to Merseyside to lecture history at Hugh Baird College and Liverpool Hope University.

Success

"Nuttall was the original Bungle in children's television show *Rainbow*."

Mr Nuttall, who is celebrating the first UKIP MP to enter the House of Commons after the party's success in the Clacton by-election last week, thought the campaign against him was "hilarious".

He explained: "This has happened a few times now. Anyone can edit Wikipedia and clearly somebody is.

"I think it's hilarious – especially when you consider *Rainbow* began in 1972 and I wasn't even born until 1976."

NOT BORN THEN: Paul didn't play kids' TV part

'Spell woman was bonked by hypnotist'

AN amateur hypnotist is accused of having sex with a woman while she was asleep under his spell.

Mindbender Kevin Christian Geyer, 25, pleaded not guilty to indecent liberties.

The unidentified woman visited Geyer's home several times for hypnotism to help her with problems she was having.

During a visit in June, Geyer (*above*) allegedly put her under a state of hypnosis and told her to block out all of her senses except her hearing.

The woman told police in Kennewick, Washington state, she had vague images of Geyer sexually assaulting her and later found 'evidence' on her clothing.

Police said she confronted him about the alleged attack by text and he apologised.

He also admitted touching her and said he was sorry when officers contacted him, court documents say.

The trial begins in January.

Sick shed burglar bonks cuddly toy

A MAN who relieved his sexual "desperation" inside a teddy bear was arrested for burglary after police made a DNA hit on semen found inside the cuddly toy.

Sick Paul Mountain, 38, cut a slit in the teddy and used a pair of knickers to form a vagina before relieving his frustrations, magistrates heard.

He later told police he was coming down off amphetamine and felt an "overwhelming need" for sexual relief.

Mountain, of Darwen, Lancs, pleaded guilty to burglary at a shed near his home with intent to steal. He was remanded on bail for reports.

Dominic Howells, the prosecutor at Blackburn Magistrates Court, said the owner of an allotment found the shed had been broken into and the contents spread all around.

"Among the wreckage she found a teddy bear which had been made to look like female private parts using a pair of female knickers," said Mr Howells

"That was passed to the police and semen found inside came back to this defendant after DNA testing.

"He told police officers that he was coming down off amphetamine and felt overwhelming need for sexual relief."

'Depressed' hubby looked at animal sex

A HUSBAND watched extreme images of people having sex with animals to cope with the strain of an unhappy marriage.

Richard Blackmore says he was not sexually aroused by the images but found them a way of dealing with anxiety and depression.

The 46-year-old was found with films and images which he downloaded from the internet, Exeter Crown Court was told.

Blackmore, of Feniton, Devon, admitted possessing extreme pornography and was ordered to receive two years' supervision.

The court was told: "He said he looked at normal pornography and when things were very bad he looked at images of bestiality."

Judge Graham Cottle told him: "The least said about this case the better."

"Before long she'll be of no interest to anybody."

Cops blitz on bus w*nkers

POLICE are tackling a huge increase in PUBLIC WANKING at a bus station.

Anti-toss cops have arrested 60 masturbators at the Port Authority Bus Terminal on New York's 8th Avenue this year.

But lawyers are accusing the NYPD of being over-zealous and nabbing people who are merely shaking their snakes too many times after a wee.

One of the arrested men said: "I look over and see someone is smiling at me. It was like a smirk. I was arrested outside the bathroom, and the officer would only say, 'Oh, you know what you did', when I asked why I was being taken into custody."

Cpt John Fitzpatrick, the Port Authority police commander, insists that arrests are only made when officers clearly witnessed an act of public lewdness.

He said: "They are not sidling up to somebody, trying to sneak a peek."

As sinister Baron Samedi dies aged just 84, we ask if there is a...

CURSE OF BOND

FANS of James Bond were shaken and not a little stirred last night by news that their favourite film franchise may be CURSED!

The death of Geoffrey Holder, who played villain Baron Samedi in the Bond film *Live and Let Die*, added weight to claims 007 – currently played by Daniel Craig is – plagued by a hex.

By SIMON DEAN
simon@sundaysport.co.uk

Geoffrey was only 84 when he died – just 41 years after he brought the sinister voodoo priest to life alongside Roger Moore as Bond.

Sunday Sport has taken a look down the years and found there is indeed evidence for the Curse of Bond:

DEADLY: Daniel Craig is latest spy

RICHARD KIEL

OF all the Bond villains, metal-toothed Jaws was perhaps the most sinister of the lot. He appeared in both *The Spy Who Loved Me* and *Moonraker*.

The character was originally slated to be eaten – ironically – by a shark at the end of The Spy Who Loved me but proved so popular at test screenings, he was saved for another outing in Moonraker.

Unfortunately, real-life cannot be changed by script editors and Richard Kiel breathed his last on September 10 this year. He was just 74.

HERVE VILLCHAIZE

TO millions of fans, Herve was the excitable midget who ran to his *Fantasy Island* boss Richardo Montalban with the tidings "The plane, the plane..."

But before *Fantasy Island*, Herve played the sinister dwarf Nick Nack in the 1974 Bond outing *The Man With the Golden Gun*.

Alas, it was a gun that did for Herve – although not a golden one.

Plagued by depression, the one-time Scaramanga manservant and would-be Bond killer shot himself aged just 50.

DESMOND LLEWELYN

PLAYING MI6's long-time quartermaster, or "Q", Desmond became known for his catchphrase "Put that down, Bond".

The actor's real life was just as action-packed as any spy. He was commissioned in the Royal Welch Fusiliers during the WWII, was captured by Krauts and held captive in the notorious Colditz castle.

Aged 85, you'd have expected Desmond to die peacefully in his bed. But, no, on December 19, 1999 he died in a car wreck on the A27 in east Sussex.

TELLY SAVALAS

SAY "Telly Savalas" and you will get the reply "Who loves you baby?" – catchphrase of the slaphead TV 'tec *Kojak*.

But Savalas also played Bond's nemesis Ernst Blofeld in *On Her Majesty's Secret Service*.

In that movie, Bond – played by George Lazenby – marries, although his missus is killed by Blofeld.

Savalas himself was killed – by the Curse of Bond – in 1994 aged just 72.

BOB HOLNESS

SOUTH African-born Bob is best known as the host of long-running "I'll have a P please, Bob" gameshow *Blockbusters* and as the man who played the sax solo on Gerry Rafferty's 1978 hit *Baker Street*.

But what is his connection to Bond? How could the Curse have touched him?

In 1956, while based in Durban, Natal, Bob Holness played James Bond in a radio production of *Moonraker*. He died in 2002 aged a mere 83.

It appears the Curse is potent enough to stretch way beyond those who merely played Bond on film...

Teenage flasher fell over pants during escape

A FLASHER who tried to flee the scene of his crime tripped over his TROUSERS after taking a swipe at a cop.

Police said a man who was caught exposing himself to a woman fought back when they tried to arrest him, then tripped over his own pants.

Joey D. Vandervort, 19, was confronted in Portland, Oregon, before he tried to punch the cop in the face – missing, but damaging the officer's lapel microphone.

Police said he tried to run away, but he hadn't fastened his pants and tripped up.

They said he flipped over on his back and "assumed a ground fighting stance."

The officer said he called for backup and Vandervort tried to run away again and tripped when his pants fell down and tangled.

Vandervort was charged with assaulting a police officer, second-degree disorderly conduct, indecent exposure, interfering with a police officer, public indecency and resisting arrest.

SMURF GOT STIFFY OUT ON MY SOFA

Woman's horror as midget burst into her house

E-RUCTION: Smurf impersonator Collins's erect tool shocked woman in her home

COURT EXCLUSIVE
By JUSTIN DUNN
justin@sundaysport.co.uk

A DWARF dressed up as a Smurf and forced his way into a woman's house where he whipped out his STIFFY, a court heard.

Little Andrew Collins was smothered in blue paint and wearing just a white hat, gloves and shorts when he barged into the woman's home in Enniskillen, Co. Fermanagh.

The 29-year-old sat down in the woman's living room before shoving his shorts down to reveal his erect todger.

His victim, who cannot be named, told Fermanagh Court that on November 22 last year she answered the door to her home and was confronted by Collins, who forced his way into her living room.

Standing

She said: "He was standing there with his trousers down and then sat down on her couch.

"I told him to get out of my house, I was that freaked out about it, and he left.

"It made me feel really, really upset. He had pulled his trousers down and he was erect. It made me feel very vulnerable."

The victim fled to her neighbour's house but said she was followed by Collins.

She added: "I was raging and I went for him, and I told him 'Don't ever come near me again'. He ran out and said he would get the police for me."

LIFE AND A**EHOLE: Collins entertains at parties

Collins went to the police and reported his victim for harassment yet when police approached the woman the full sordid story was revealed.

Defence barrister Miss Phillips claimed Collins contacted the police as "he wanted to clear his name".

The court was told hewas well known in Enniskillen for dressing up as a Smurf to entertain people at stag and hen parties.

Collins, who denied exposing himself but was found guilty by a district judge, will be sentenced on October 20.

TEEN KILLED AND BONKED MUM

AN EVIL teenager has admitted battering his mother to death with a hammer…before having sex with her CORPSE.

Sick Kevin Davis (*left*), 18, first tried to strangle mum Kimberly Hill, 50, with a video game console power cord.

But when she continued to scream he got a hammer and smashed her on the head 20 times, ending her life.

Twisted Davis had also planned to murder and have sex with his sister Desirae Hill before changing his mind at the last minute.

He told arresting officers: "I had my fill of killing. It seemed a little much."

Speaking about his act of incestual necrophilia, he added: "I had sexual intercourse. Guess I lost my virginity to a dead corpse.

"I'm not mentally disturbed. I'm sane. I know what I did."

Davis was jailed for 99 years without parole after appearing in court in Texas.

His sister told him: "You took the only person who had your back. Now you are all alone."

Prosecutor Kim Gonzalez added: "The things Kevin Davis confessed to doing to his mother weren't things you see every day."

AND CLARKSON THINKS HE HAS IT TOUGH...

DUMBER & NUMBER: Driver Jerzy with the 'joke' plate

NONCE NUMBER PLATE GOT ME BEATEN UP

By BARNEY SAMUELS
news@sundaysport.co.uk

DRIVER Jerzy Benkowski was attacked by angry parents when he arrived to deliver books at a school – because his number plate spelled out the word NONCE!

Jerzy was on the first day of his new job as a delivery driver but it almost turned into his LAST as the 47-year-old nearly QUIT the moment he got back to the depot.

The dad-of-three said: "I noticed that the number plate was different format to normal British UK number plate.

"The boss tell me 'Is OK. Is special personal number plate'. In Poland, we no have this word 'nonce', so I not know it is bad word for be on van – especially at school."

When Jerzy arrived at the Manchester school – which we cannot name for legal reasons – he was set upon by parents arriving to pick up their kids.

He said last night: "Parents make roar and howl and beat me on head and I get out, how you say?, by skin of the teeth.

"When back at depot they say is big joke fake number plate they give new boy. 'Ha-ha' I says and almost quit."

Jerzy's woes mirror those of *Top Gear* bigmouth Jeremy Clarkson who was forced to flee Argentina after outraging locals over a number plate on the car he'd been driving for the BBC2 show – H982FKL – which Argies took to be a reference to the Falklands War.

Cops discovered two more plates in the car – which was abandoned near the border with Chile – both with the same registration plate, 'BE11 END'.

BELLEND OF ROAD: Clarkson and his number plates

ROO DIRTY BUGGER!

AN aborigine exposed his didgeridoo and wanked in front of a Brit tourist out for an afternoon walk.

Police spokesman Sgt Siiri Tennosaar said a 44-year-old woman was strolling along the street when she was approached by a man in Alice Springs, Australia.

She said he "propositioned her while exposing his genitals and masturbating".

Hacked-off Jen goes nude again

HACKING victim Jennifer Lawrence faced further embarrassment when her Wikipedia page was flooded with leaked nudes.

Two of the naked pics originally circulated online in August were posted onto *The Hunger Games* star's entry on the popular website.

The snaps, from a fake account, were deleted within 20 minutes.

The 24-year-old Oscar winner is one of hundreds of celebs targeted by iCloud hackers, including US star Kim Kardashian, 33, and busty model Kate Upton, 22.

Lawrence branded the incident a "sex crime", adding: "It's disgusting. The law needs to be changed, and we need to change.

"That's why these websites are responsible."

Fowl play suspected

A MAN whose chicken-bumming antics led authorities to pass a new law faces another charge of shagging an animal.

Prosecutors allege Michael C Bessigano, 42, sexually abused and killed a guinea fowl at a park in Lowell, Indiana.

Bessigano served four years in prison for a 2002 conviction for having sex with a chicken and killing it during bumming.

That case spurred lawmakers to pass legislation making sexual relations with animals a crime.

Tiririca was first picked to represent Sao Paulo in 2010, winning the most votes of any candidate in the country after running on the slogan "It can't get any worse".

SWEDEN

SWEDEN'S new coalition government is trying to make it an offence for Swedes to use prostitutes when they're abroad.

In Sweden it is legal to work as a prostitute, but it is illegal for customers to pay for sex. The Social Democrat-Green party coalition wants to extend the policy to Swedes who buy bonks overseas.

I-SUSSIES: Jihadis love frocks

ISIS KILLERS ARE SECRET TRANNIES!

Experts find evidence of 'rampant crossdressing' among maniacs

ISLAMIC State thugs may be cold-hearted murderers and wicked corrupters of a peaceful religion.

But they are also kinky crossdressers who love wearing WOMEN'S FROCKS!

That's the word from western intelligence agencies who found after a hard day wreaking fundamentalist havoc, ISIS goons like nothing better than slipping into something slinky and giggling over a romcom with pals.

Some ISIS terrorists wear make-up, ladies' undergarments and even FISHNET STOCKINGS under their battle fatigues during rampages.

Yank analysts at the CIA's HQ in Langley, Virginia, first spotted the transvestite leanings of ISIS fighters when they studied spy film taken by an agent in Aleppo, Syria.

A source told us: "They were wearing eye make-up and had even painted their fingernails."

Drones using image-intensifying cameras flew over ISIS-controlled territory and discovered fighters wearing scanty lingerie, negligees and stockings under their dusty and blood-caked battle dress.

One infra-red image, suggested that a commander had gone into battle near the Syrian border town of Kobane wearing SEX BEADS in his ANUS.

Fighting in the area has forced hundreds of thousands of Syrians, mainly Kurds, to flee into neighbouring Turkey, which has so far ruled out any ground operation against ISIS.

Kurdish forces say they urgently need more weapons and ammunition.

DEANO ON SUNDAY

A WOMAN in Bootle, Merseyside, discovered her neighbour, Philip Crellin, was a violent criminal when she dumped grass cuttings in his bin and found a gun.

Crellin got six years in jail for firearms offences – the woman got 20 years for putting grass clippings in the wrong bin.

JEREMY Clarkson was chased out of Argentina by a stone – throwing mob after driving a Porsche carrying number plates which obliquely referred to the Falklands War.

I'm with the Argies on this one.

I always get the urge to hurl rocks when I see a Porsche. Or an Audi. Or a BMW.

A FUND set up for the children of Salford aid worker Alan Henning, who was murdered by ISIS, clocked up £17,000 of donations in just two days.

A fund set up after arsonists lit up Manchester Dog's Home, not far from where Alan lived, raised £1,175,000 in the first few days.

Make of that what you will.

A WHOPPING 13.3m people watched Nancy Birtwhistle win the *Great British Bake* off final last week. That's more than watched the World Cup Final.

We should not really be too surprised people are more interested in cake than sport.

The evidence is waddling around every supermarket in the land.

UNIVERSITY students are being urged to urinate in the shower in a bid to save water.

The *Go with the Flow* campaign is the brainchild of students Debs Torr and Chris Dobson, from the University of East Anglia (UEA) in Norwich.

They want the university's 15,000 students to take their first wee of the day while having their morning shower.

I fully support this, so I went across to East Anglia to watch the initiative in practice and check out how it was working.

There were some screams...

Eating bats and monkeys causes plague: FACT

WHEN I was growing up, it was nuclear bombs that were to end humanity.

Billions were spent by each side on space-age atom bombs that could vapourise everyone on the planet.

The Yanks and the Commies should have saved their money – it doesn't need rockets and plutonium to plunge us back into the Stone Age.

We're about to suffer an extinction-level plague because some daft twat thought it was a good idea to eat a f**king fruit bat.

Now, I'm from farming stock and not squeamish when it comes to grub.

Last week I scoffed a rabbit. There's a grey squirrel in my deep freeze ready for the pot this weekend. (Before you write in, it was dead before it went in the fridge)

But never in my wildest dreams have I ever thought of eating a bat – a species famed for carrying every disease known to man from rabies to whooping cough.

Nor would I ever wolf down a chimp's brains, a gibbon's bollocks or a gorilla arsehole casserole. And don't come all that "diversity" claptrap or claim that it's somehow racist to criticise people for eating bushmeat – as it's known – while I happily eat dead hog, cow and hen.

Eating bats, monkeys and apes is wrong. Not just because it's eating protected species. It's just wrong.

And it must be wrong.

Because the practice has unleashed the incurable hell plague Ebola on the world.

WRONG: We unleash hell when we eat bushmeat

IT'S been suggested that George Clooney – Hollywood's answer to Morrissey – started banging on about Greece returning the Elgin Marbles to the Greek Bum Boys at the suggestion of his new wife, Amal Alamuddin.

I have no idea is this is true but I'll tell you this.

If Mrs Clooney suggested anything to me – up to and including the removal of my limbs – I'd be happy to do it, so long as I'd get a snort of her mimsy in return.

POLICE have launched a probe after 110 cats went missing in Ipswich, Suffolk.

I've never had a curry in Ipswich. And now I don't think I ever will.

8-PAGE MINI MAG

KELLY BROOK, 34E

BOUNCY actress Kelly, 34, admits her norks made her a household name.

She said: "I have often wondered where I'd be without my boobs."

LUCY PINDER, 32G

IT'S not just boys who love 30-year-old Lucy's heaving cleavage.

A recent survey of the Most Enviable Pair of Celebrity Boobs found one in five women would resort to plastic surgery to get a rack like hers.

AMBER PRICE, 32DD

BRADFORD'S finest Amber, 24, quit her job as a pharmaceutical rep to model full time. There's no need to pop pills to feel good when you can ogle Amber's impressive features.

CLAIR MEEK, 30G

SCOTS beauty Clair, 22, is married to *Inbetweeners* star James Buckley.

And it's not her "clunge" we're interested in, it's her colossal boobs.

Despite her famous fella, Clair says: "Fans always recognise me from my glamour shots!"

SAMMY BRADDY, 30GG

SEXY Sammy loves to have her boobs played with in the bedroom.

The 28-year-old stunna, from Colchester, Essex, purred: "My boobs do get bigger during sex – all the hormones and blood rushing around your body definitely make them look bigger. It's like a boob erection!"

SEPTEMBER CARRINA, 32JJ

BUDAPEST-BORN beauty Carrina loves flashing her assets to get attention from lads.

The 25-year-old, who now lives in Southampton, explained: "If I'm at a bar and the guy isn't serving me. I'll just lean over and flash him a bit of my cleavage. Needless to say they ALWAYS serve me next."

BIG BOOB SPECIAL

8-PAGE MINI MAG

GEMMA ATKINSON, 34E

CASUALTY babe Gemma Atkinson, 29, says her boobs are so gigantic she can't even see her toes.

The blonde stunna, from Bury, revealed: "I can't, actually – and my feet are quite long! I can probably see the end of my shoes, but nothing else."

EMMA NICHOLLS, 32F

CAMBRIDGE beauty Emma, 26, says it's a nightmare finding underwear to fit her large bosom.

She revealed: "I love my big boobs but it can be really hard to find nice bras that fit well.

"They're always either too tight or look terrible. Most of the time I'd rather go without!"

JEANA BROCK, 34E

SULTRY Jeana loves decorating her ample chest – claiming her charms look INCREDIBLE in lacy bras.

The 26-year-old, from Dover, Kent, purred: "The only way a nice big set of boobs can be improved is with a saucy, classy bit of lingerie. I just love sexy underwear."

SARAH RANDALL, 32HH

SIZZLING Sarah, 26, may already have gigantic BOOBS – but they just keep growing!

The Cardiff beauty said: "They just won't stop. I'd love to be a K cup and at this rate I might get there in just a few months. I hope guys can handle me when my boobs get bigger."

WorldMags.net

ANNIE BULLAH, 32F

ESSEX girl Annie reckons her miracle boobs were just what the doctor ordered!

The 25-year-old pin-up said: "I had quite small natural breasts, but that's all changed now.

"Since my boob ops, my clothes look so much better – not to mention how much more attention I get from blokes."

JODIE MARSH, 32GG

TOP model Jodie may have gone from tabloid party girl to beefed-up gym bunny… but we'll always love her big knockers!

Jodie, 35, said: "They're massive, aren't they? I've gone from a 32DD to a 32G and I love them!"

KATIE PRICE, 34D

GLAMOUR legend Katie Price might not have whipped out her heaving 32D boobs since 2004, but last week she announced plans to appear in a new TOPLESS shoot.

The 36-year-old admitted: "I'd still do men's mags. In fact, I don't know why I don't!"

JANA DEFI 32G

CZECH babe Jana says her massive puppies can be too much for some feeble fellas.

Jana, 22, admitted: "I've often been asked if my boobs are heavy. Of course they are – look at the size of them!

"Some men get a strain lifting them – but none have complained about it so far."

HELEN FLANAGAN, 32E

EX-CORRIE hottie Helen is a strong defender of a woman's right… to go TOPLESS!

The 24-year-old actress said: "Honestly, I'd be happy to go nude on film for a really amazing drama. But the script would have to be fantastic."

BIG BOOB SPECIAL

8-PAGE MINI MAG

TARA REID, 34C

AMERICAN Pie babe Tara, 38, accidentally flashed her whoppers at a red carpet event back in 2004.

The spectacular wardrobe malfunction went on for what seemed like an eternity... which begs the question: Didn't you feel the breeze, love?

LEANNE CROW, 34H

ALL-NATURAL Leanne says her weighty wonders are her biggest and best assets.

The Sunderland scorcher, 23, said: "Having a massive set of boobs is the best thing in the world!"

We agree.

KRYSTAL WEBB, 30G

KINKY Krystal reckons her buxom boobs are the secret to a healthy sex life!

The Brummie beauty, 29, said: "I can't explain why my big boobs make me feel much more confident, they just do. Believe me, the benefits in the sack are amazing!"

GABRIELLE SAINT, 32G

SAVVY Gabrielle, 26, has had her breasts insured for a cool £1million.

The 26-year-old Czech stunna admitted: "My boobs are my biggest asset, so it made sense to get them insured. It's quite a big policy, but that fits with the size of my boobs."

EMILY RATAJKOWSKI, 32C

BRIT-BORN Hollywood actress Emily, 23, shot to fame when she stripped off in the video to Robin Thicke's smash hit single *Blurred Lines*.

And Emily was soon an internet sensation, while also labelling those who accused her of having a boob job as "meanies".

LINDSAY STRUTT, 34GG

DONCASTER belle Lindsay, 25, loves fondling her own love lumps.

Speaking about a recent trip to the studio, she said: "I was only going to go topless for the shoot, but when I took my vest off and started playing with my boobs I got a little carried away."

ZOE MORRELL, 30F

PRETTY Zoe is a born exhibitionist who refuses to keep her body covered.

The 28-year-old, from St Albans, Herts, added: "If I could, I'd be naked 24/ 7. I've got really sensitive nipples and it feels lovely when they're hard and erect. I'm kinky and I'm proud of it."

BIG BOOB SPECIAL

8-PAGE MINI MAG

JOEY FISHER, 32H

PROUD Joey, 20, might have an astounding pair of palm-warmers, but it's other girls' curves she's most interested in.

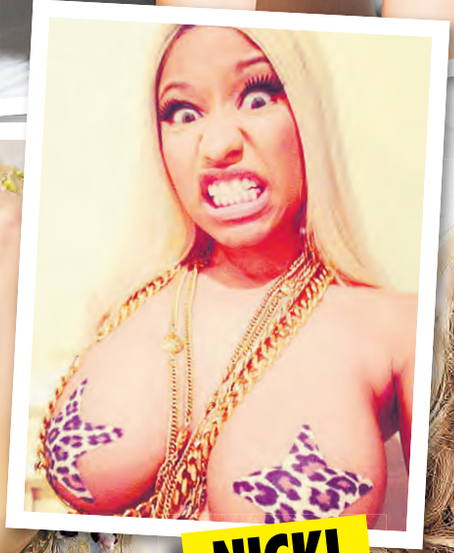
The Cardiff cracker confessed: "I can't help but have a cheeky glance at other boobs."

SOPHIE RUNDLE, 34DD

IT'S not often you see naked natural breasts of such awesome proportions on TV.

So when Brit actress Sophie, 26, aired hers on BBC series *Episodes*, fans were salivating.

Sophie says: "It didn't bother me at all at the time – I didn't expect people to pay any attention. But now when people search me, that's what comes up."



NICKI MINAJ, 32C

HIP hop star Nicki, 31, admits she has to work hard to keep her cracking figure in tip-top shape.

The 31-year-old said: "I like to look good, but that takes a lot of hard work and exercise."

VERONICA ZEMANOVA, 30G

FORGET Harrods, Czech-born Veronika is the swankiest thing about her new-found home in posh London.

The 29-year-old says: "I love having big boobs because they look great squeezed into a tight top or dress. Men can't stop looking at them, you definitely get more attention when you're busty."

LEAH FRANCIS, 34GG

YOU won't find luscious Leah, 25, sunbathing with her bikini top on.

The Southampton sex siren told us: "Clothes are a pain so I prefer to be naked.

"I'm always naked! I'm a bit of a fan of nudity, in fact I love it!"

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

UKIP has finally got its first MP, following the by-election in Clacton last week – even if it is only ex-Tory Douglas Carswell.

As my mate Creepy Dave said, if you think about it, it's a bit like your kid having its first shit without its nappy on, but then picking the shit up out of its potty and offering it to you from the palm of its hand.

He might be right. All I know is that whenever I see UKIP leader Nigel Farage on the telly, I'm compelled to curl one out into my hand and chuck it at the fking screen.**

THERE'S a *Dad's Army* remake on its way, with a new film version of the classic sitcom scheduled for next year.

Obviously, it will have an all-new cast, with the likes of Bill Nighy, Catherine Zeta Jones and one of *The Inbetweeners* in it.

Would it have been too much f**king trouble to have dug up all the original cast members, thrown some army uniforms on their skeletons and used dialogue from the 1970s episodes?

Ask yourself – which one would YOU pay good money to see?

NEW research shows that tablets are replacing TV when it comes to entertaining children.

If you ask me, the only fking tablets children should be given are heavy sedatives. That way, the noisy little bastards can be rounded up and locked away in an airing cupboard so the grown ups can watch the box in peace.**

THEY might have lost Jason Orange but Take That are back… and they unveiled a brand new single last week.

Upon first hearing it, my immediate conclusion was that rather than write and record a new song, I'd have preferred it if they came round my house, climbed up on to my roof and pumped three million angry wasps down the chimney into my living room.

Fat, useless old c**ts.

A DELIGHTFUL picture appeared in newspapers last week, in which a mother baboon held her baby aloft and played "aeroplanes" with it.

That's what the papers said.

In truth, she was probably sizing the ct up to eat it.**

OUR EXTREMELY HORNY HOUSEWIVES ARE WAITIN' 4 UR SEXY TEXTS!

WHAT a waste to leave a horny housewife flicking herself off on her own when she could be texting you at the same time!

Send us your post-code and we'll put you in touch with someone for you to play with. Sex texts are a real turn-on for millions of women and we can find one just for you!

It's dead easy and we GUARANTEE that we'll have you at it in minutes! Go on, give it a try!

TEXT **WAITING** THEN UR **POSTCODE** TO **89248**

£1.50 per message

JUST ONE TEXT MESSAGE GETS YOU TEXT SEX EVERY TIME!

LIKE IT LOCAL?

On your first message add the start of your postcode and we'll filter our listings to deliver ladies closest to you e.g. If you want to contact grannies in Leeds text AGED (space) LS to 89248. How easy it that?!

GET IT FROM A GRANNY!

WHEN they think of a granny many blokes will picture a lovely old dear sitting knitting in front of *Emmerdale*, smelling a bit funny.

But plenty more imagine a proper woman, experienced in the ways of the world who likes nothing more than to enjoy the attentions of horny younger man who wants to explore every wrinkle and line of her body and then f*** her like she's a teenager!

Well, that's the sort of women we'll put you in touch with here. Just sent one message and we'll get you texting with an older hottie. If you let us know the start of your postcode we will also find you one from your area.

Hardness

One we hook you up you're on your own. But be warned...these ladies know what they want and are not afraid to discuss it by text, using what is, for some, shocking language.

They will tell you what they want you to do to them to turn back the clock. They will tell you how they want your lovely hardness inside them and how they want your creamy, fresh cream all over their wrinkled bodies. How can you refuse an invitation like that, fellas?

TEXT A TRANNY WITH A BIG SURPRISE

OUR T-girls are pretty, well-groomed and RED HOT!

Introduce one of them to your mates, or even your parents, and they'd never guess your girl was born a boy and she'd never tell!

But that's not an issue here; all we can do is put you in touch with a UK TV girl for text chat...what you talk about is your own business.

Some of our girls are fully post-op and others still have a special surprise in their panties. One think they all have in common though is that they want real men to treat them like real ladies. It's 100% discrete and 100% filthy so get stuck in!

STUDENTS TALK SEX!

LUCY PARKER

AGE: 21
FROM: Bristol
STUDYING: Media Studies
UNIVERSITY: University of Bristol
FAVE FOOD: Chips
FAVE DRINK: White wine
FAVE FILM: *Inception*
FAVE ACTOR: Ryan Reynolds

GEMMA LUKE

AGE: 21
FROM: Bristol
STUDYING: English Literature
UNIVERSITY: University of Bristol
FAVE FOOD: Curry
FAVE DRINK: Craft beers
FAVE FILM: *Moulin Rouge!*
FAVE ACTOR: Johnny Depp

FAVOURITE POSITION

LUCY: I love doggy-style because it's a turn-on and you don't have to do any work. What about you? I bet you know all kinds of positions.
GEMMA: I like the cowgirl because I'm in control then and I can do what I want. But I'm a willing learner and would be happy to try new ones.

CAUGHT OUT

GEMMA: Have you ever been caught having sex?
LUCY: Yes! My ex-boyfriend's dad walked in on us once – I was mortified. And his dad was quite fit as well so it was even more embarrassing!
I couldn't look him in the eye after that.
GEMMA: Cringe! My nan was staying with us last summer and nearly walked in on me and the guy I was seeing.
I went mad and made my dad fit a lock on my bedroom door!

WORST SEX

LUCY: It was the first time with my ex. He was up for it but once we started he couldn't get it up. He was too nervous.
I did everything to try and turn him on but it didn't help. No matter how hard I tried he just couldn't get it up.
GEMMA: When I was about 18 and at college, I shagged this guy in a flat above a shop – it was hardly the most romantic location in the world.
It was dark and dingy, and the whole experience was pretty horrible. He wasn't the most attractive guy in the world either and he didn't know what he was doing.
Needless to say I wasn't interested in seeing him again.

GIRL-ON-GIRL

LUCY: I've never fantasised about being with another woman. I like men too much, I suppose.
I can appreciate a woman's body and know it's sexy but I've never fantasised about doing anything with her.
GEMMA: I can look at a woman and think, 'She's hot' but that's about it. I've never thought about bedding another girl. Some of my pals have told me they have imagined what it would be like sleeping with a woman.
But they're much more curious and adventurous than me.
LUCY: I've kissed girls but that's as far as it's gone. You know what it's like, when you're on a girlie night out and you've had a few drinks and you just lean in for a quick snog? Girls do it more to turn lads on though.
GEMMA: And you've never wanted to take it further?
LUCY: I'd probably have to be a bit more tipsy but I do sometimes share a bed with my mates – so I guess there's always a chance something could happen.
GEMMA: I've never had a lesbian experience. I wouldn't be interested – it's only men that turn me on.
I've got nothing against lesbians, I just find men more of a turn-on than women and I don't think that will ever change. I love the cock too much I guess.

BUM FUN

LUCY: I tried it once – but it wasn't my first choice at the time. My boyfriend wanted to do it, so I agreed just to keep him happy. A lot of men seem obsessed by bum sex. Maybe they just like trying something different now and again.
GEMMA: Yes, I know loads of men who are obsessed by the idea of doing it up the wrong 'un. What was it like for you?
LUCY: I found it painful and I couldn't walk right for a while afterwards. It was embarrassing to be honest, and I couldn't tell any of my friends what the real reason was!
GEMMA: I've done it a few times but I've never really enjoyed it that much. It was my boyfriend's idea to try it.
I think I will try it again some time soon – with the right guy, and in the right setting.
Friends have told me they enjoy it when they are relaxed and have had lots of foreplay beforehand.

WILLY SIZE

LUCY: My ex's was quite big, about seven inches on the slack. It's hard to compare willy sizes though because small ones on big blokes look tiny, but on a small guy they look bigger.
Have you encountered any trouser monsters?
GEMMA: My biggest was probably a French guy I met on holiday. He had a seven-incher too, but it was also really thick. I remember when it went in what a tight squeeze it felt. I was a bit scared he wouldn't be able to get it back out again – ha ha!

> 'I was a bit scared he wouldn't be able to get it back out again'

BEST EVER

LUCY: What's the most exciting shag you've had?
GEMMA: With my current boyfriend. We were going out one night and waiting for a taxi. We only had a few minutes to spare so we did it up against a wall inside the house. It was great because it was just so spontaneous.
LUCY: Wow, that's one hell of a way of getting a ride into town!
GEMMA: What about you?
LUCY: On holiday with my ex in Greece. We did it on a beach at night under the stars. It was romantic and a big thrill at the same time.
We ended up covered in sand from head to toe. But it was well worth it.

FANTASIES

GEMMA: I once romped at a friend's house party. Me and my ex decided to go in the toilet and shut the door.
We did everything apart from have full sex at the time.
LUCY: I've lived out a fantasy for someone else. He covered me in cream and syrup and licked me all over to get it all off.
But after a while I started sticking to the bed sheets!

ADULT TOYS

GEMMA: I've never used one but I'd love to try one out on myself. I've heard some of them, like the Rampant Rabbit, give you an orgasm within minutes.
That's better than any of the fellas I've been with can do.
LUCY: Me neither, I'm open to ideas though. Maybe we can go on a naughty shopping trip one day together to see what we can find!

ONE NIGHT STANDS

GEMMA: Have you ever had a one night stand?
LUCY: I must admit I'm still not that into them – I'd much rather get to know a bloke a bit better first before shagging him.
There are just some things I don't want to do with a bloke I've just met.
Also I think it's probably because I've had a couple of terrible one night stands in the past.
One night I pulled this really fit lad in the student union and dragged him back to mine for some wild fun.
But when it came down to it he was too drunk to perform and it ended up being totally crap sex.
I thought we'd be at it all night – but it was over far too quick and I was left to finish the job myself!
GEMMA: I'd have woken him up and told him to sort me out! I've had that many since I started uni I've lost count!
It's embarrassing when I bump into them around campus – I can never even remember their bloody names!

NICE DAY AT THE ORIFICE

BUSTY Olivia Berzinc was once sacked from her office job – for being TOO SEXY!

The 22-year-old stunna used to work for a stuffy estate agents before she launched her career as a topless model.

But the brunette was forced to leave after jealous female staff complained that her big BOOBS were a distraction!

Tight

The 36F glamour girl said: "I was head of sales for an estate agents, and I was really good at my job.

"The other girls used to wear trousers, flat shoes and high cut tops, but I wore really tight pencil skirts or tiny dresses that showed off my cleavage.

"One day my boss turned around and said I was putting people off by looking too sexy!

"I couldn't believe it.

"But I suppose it was a blessing in disguise because I get to show off my body all the time now, in sexy photoshoots.

"I reckon I was born to get my boobs out!"

Dear Jaymie,

MY mother-in-law is a right old dirty cow.

I have been happily married to her daughter for almost three years.

Sometimes people mistake my missus and her mum for sisters – her old lady has kept her good looks and has a cracking figure.

But recently, her mother has been coming round the house when my wife's out at work and she's been flashing me her tits and saying quite explicit things about what she'd like to do to me.

The other day she came round and she was wearing a little leather skirt.

She sat on the sofa and spread her legs and she wasn't wearing any knickers underneath.

I'd not been getting it off the missus and I was feeling randy.

So I let her give me a blowjob but I think I've also blown my marriage now because the mum-in-law said she ALWAYS tells her daughter everything!

What do you reckon.

TY, Kent

Jaymie says...

I'M very tempted to agree with you. But I can't – sorry!

Dear Jaymie,

MY husband is in a pub football team and he plays every Sunday morning.

One of his mates used to play but he suffered an injury and had to give up but he went to cheer on the lads and stood next to me at the game.

I got tired of standing there in the rain every week so I decided to stay away.

A couple of weeks later there was a knock at the front door, about 10 minutes after my hubby left for a match.

It was his old pal – who I invited in, and as we chatted he told me he fancied me!

I was shocked – but rather flattered. And when he kissed me, my fanny throbbed.

We tickled tongues for a while and then went upstairs where we stripped off.

After some more kissing and fondling he eased his cock inside my wet pussy.

We banged away until I'd had three orgasms.

Since then we've been at it every Sunday, but I can't help feeling guilty.

Should I tell my fella?

AR, West Midlands

Jaymie says...

NO, your hubby shouldn't have neglected you in the first place.

Dear Jaymie,

I'VE been shagging my secretary for the last month – who is 21, blonde, long-legged and with massive tits.

On her first day she told me that she likes older men – so as I'm 41, I thought I would try it on a bit and invited her out for a drink.

We had a couple and just as I was about to order a cab she whispered that she wanted to go back to the office and be shagged over my desk.

As soon as we got back she stripped down to her bra and thong and started sucking me off.

Just as I was about to climax I pulled my cock out and spunked all over her face.

She loved it and scooped my jizz up and licked it all off her fingers.

This turned me and I was soon rock-hard again. So I led her to my desk and bent her over for a long, hard screwing.

But now she wants me to get her a pay rise – what should I do?

HH, Essex

Jaymie says...

TELL her you can't authorise any kind of salary increase until you've sampled the goods a second time.

DO YOU HAVE A SEX PROBLEM?

AGONY WITH Jaymie Feather

Age 28, 30D-22-30, from Bradford

Indecent proposal was hair-raising!

Dear Jaymie,

I'M a mobile hairdresser going to people's houses – or sometimes they come to me.

I have several wealthy clients, one who begged to take me out.

But I kept putting him off because, although I fancied him, I knew he had a steady girlfriend.

Anyway, I went round to his house a few weeks ago and there was a note on the door which said for me to go straight in.

I found an envelope on the table with my name on it and another note that said: "Come upstairs and make wild love to me and all this can be yours."

After a very quick count, I reckoned there was at least £1,000 in the envelope and I really needed the money so I thought to myself, 'well why the hell not?'

My heart was pounding as I climbed the stairs and pushed open the bedroom door.

He was lying on the bed wearing nothing but a silly grin. I stripped down to my undies and walked across to him.

I knelt on the floor by the side of the bed and took his impressive penis in my hands.

I leaned forward and took the tip between my lips, licking and nibbling before taking his full shaft to the back of my throat.

I sucked him slowly at first, then faster as he got really hard. I could feel the pressure building up in his balls and just before he was about to shoot his load I pulled my head away.

He is an experienced lover and he knew that was his cue to go to work on me.

He pulled me on the bed, kissing me all over until he reached my moist and aching pussy lips.

He used his fingers and tongue on my clit expertly before getting on top of me and sliding his lovely cock deep inside me.

I must admit it was one of the best orgasms I'd had for a very long time.

We have repeated this several times since, getting more and more erotic and adventurous in our sex games.

But when we were last together he asked me to bring a girlfriend with me the next time – for a threesome.

I was shocked but not wanting to upset him, I agreed.

But I've been thinking about it and I don't know whether I can do it with another woman.

Like most females I have had fantasies about a lesbian encounter and I do know a few willing friends.

Can you help me to make up my mind?

GS, East Yorks

Jaymie says...

NOT really. You're the only one who can do that.

Dear Jaymie,

I'VE just dropped myself in it big-style with my boyfriend.

While we were making love last week I called out our new neighbour's name by mistake.

It all started when the wife of the guy in question invited us round to their place for getting-to-know-you drinks.

I have to confess I got pretty tipsy and I stumbled into the bathroom where my male neighbour was having a pee.

I couldn't help catching sight of his manhood and I it was very impressive.

From that moment on I knew I just had to have it for myself. So a couple of nights later I was lying in bed with my slumbering fella when I heard the couple next door making love, noisily.

A few days after that I saw my neighbour's wife go out. On the pretext of running out of milk I knocked on his back door and caught him stripped to his shorts, putting some washing in the machine.

I stared open-mouthed at him but he smiled and moved towards me, guessing why I was really there.

He kissed me deeply and passionately before we went upstairs and I got to ride that massive cock of his.

So how do I now smooth things over with my fella?

MM, Herts

Jaymie says...

FORGET this neighbour and put it down to a one-off mistake.

Dear Jaymie,

MY wife and I are both 51 and we've always enjoyed a pretty normal sex life.

But recently she's been suggesting some filthy things to do in the bedroom.

The other day I came home from work to find her in an all-in-one PVC suit with just her tits and fanny on show.

To be honest, the sight of her 15-stone figure in that get-up put me right off my dinner.

How do I break it to my wife that her new-found kinkiness is doing absolutely nothing for me, sexually?

HK, Gloucs

Jaymie says...

DON'T be such a bloody old prude! Why don't you just give it a try? You may be in for a pleasant surprise, and quite enjoy it.

SEX CONFIDENTIAL

GREEDY BOSS CAUGHT OUT COOKING THE BOOKS...

Jaymie says...

BOSSES, eh? When they're not making £250million mistakes in the annual profit-and-loss accounts, they're trying to shave a few quid off their galley slaves' wages.

These young ladies, emboldened by the creed of radical feminism, are not going to take this sort of smoke-and-mirrors financial chicanery lying down.

It remains to be seen quite how giving the gaffer a slippery gob job will "teach him a lesson" but with a bit of luck, the excitement will cause him to crash his big Audi motor car on the way home.

'MINGER' MISS BONKED STUDENT

PUPIL ROMPS: Gilles and the school *(below)*

By BRAD CHADWICK news@sundaysport.co.uk

A FEMALE maths teacher was fired after being accused of romping with a teenage student.

Mary Gilles, 28, was arrested and charged with six counts of criminal sexual conduct for allegedly having sex several times with a 17-year-old male student.

A staff member at the school became concerned when she saw Gilles and the victim alone together in the school hall. The student's email account was searched and messages between the pair that indicated they were in a sexual relationship found.

Police reviewed the evidence and arrested Gilles at her home. She was fired a day later.

Painful

The victim and Gilles admitted to police that they have been sexually involved since February.

Pacelli Catholic High in Austin, Minnesota, issued a statement saying: "It's an unfortunate, unfortunate thing, and very painful for the school and for the community."

Joel Hennessy, director of communications for the Diocese of Winona, which oversees the school, said students' families were notified in a letter.

An insider said: "I feel sorry for the lad. Most of the times these teachers who shag the students are hotties – but Mary's a bit of a minger."

Gilles could face up to 15 years in prison for each count of criminal sexual conduct.

FIRST TIME TOPLESS... CAPRICE

JOSEPH SCRIMSHIRE
joseph@sundaysport.co.uk

KINKY Caprice has a sizzling sex secret guaranteed to get you off!

The tantalizing teen from Hull has confessed she caught her female pal's brother watching porn…and then gave him a BLOWJOB!

The fashion student – who bares her ample 32B boobs for the first time ever in *Sunday Sport* – revealed how she spied on her hunky crush in his living room as she stayed over following a night out on the town.

And Caprice says she just couldn't resist giving him a helping hand!

She purred: "I guess the naughtiest thing I've done was with my best friend's brother. She's going to kill me for this.

"He's *sooo* hot. I've always fancied him. I went downstairs in the night to get a drink of water and he was watching porn on the TV.

"He was a bit embarrassed at first. I mean, we both were. But somehow we got chatting, then we ended up kissing, and before long I was giving him oral sex!

"Next morning we just ignored each other, but I think my friend was quite suspicious about how we were acting around each other. The cat's out the bag now, though, isn't it!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

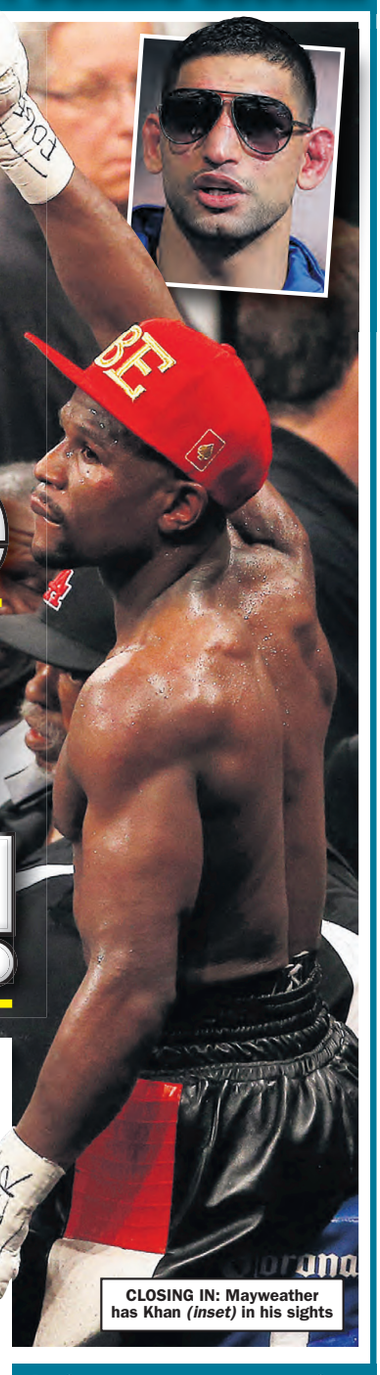
STEVE LILLIS' KNOCKOUT BOXING COLUMN

Even my own DAD wants me to knock out Khan!



CLOSING IN: Mayweather has Khan *(inset)* in his sights

MAYWEATHER HINTS AMIR CLASH COULD BE ON CARDS

FLOYD MAYWEATHER says he might have to bash up Amir Khan – just to keep his dad happy!

The world's No.1 boxer has given renewed hope that Khan might just be Mayweather's next opponent in May with his latest revelation.

Undefeated Mayweather snubbed Khan earlier this year and fought Marcos Maidana instead, despite an online poll voting for the Briton to be his next opponent.

When the American beat Maidana for the second time last month, Khan riled his team by claiming the 37-year-old was beginning to fade as a fighter.

Now, WBA and WBC welterweight and light-middleweight champion Mayweather says: "Dad is desperate for me to take the Khan fight. He just wants me to shut the kid up and put him down.

"He doesn't like fighters trash-talking his son. But he knows as well as I do that if the fight happens, I'm going to punish him.

"If he thinks he can trash talk me and get away with it, he needs to think again."

If Khan doesn't get the Mayweather fight, he'll most probably challenge Sheffield's IBF welterweight champion Kell Brook next spring.

Intelligent

Khan has his best hope yet of finally boxing Mayweather because they both have the same adviser in Al Haymon.

A lot will depend on how good the Bolton man looks when he fights on December 6 in Las Vegas or New York, with Robert Guerrero his likely opponent. Mayweather added: "Khan is a good fighter and he has quick hands, but I'm a far more intelligent fighter than him.

"I could already tell you exactly how I'd beat him.

"My dad wants the fight. I want to put him on his backside, so hopefully we can make it happen.

"I've always said that nobody has any God-given right just to get a fight with me.

"I'm nobody's pay day, I'm nobody's meal ticket. I take fights that I believe will test me and will put on a good show for the fans.

"I ain't ever taken a fight just because somebody has been running off their mouth, saying this and that.

"If Khan gets his fight, it will be because I think he deserves a shot."

Quigg targets massive pay-per-view audience

SCOTT QUIGG has turned down a whopping £400,000 offer to defend his WBA "regular" super-bantamweight title against Sheffield's Kid Galahad.

It is a stunning refusal by the Bury man, who would have pocketed easily his biggest purse had he taken the offer made by promoter Mick Hennessy.

It looks like Quigg *(left)* may now be hoping to get a unification clash against IBF title holder Carl Frampton, which he is planning to use to draw even more cash with a pay-per-view TV audience.

CRICKET

COOK: KP'S TARNISHED GREAT SIDE

ALASTAIR COOK has hit back at Kevin Pietersen's claims of bullying in the England dressing room – insisting he has tarnished one of the national team's most glorious spells.

Captain Cook, 29, also said he "feels hurt" by the allegations made in KP's autobiography, which was released this week.

Cook and Pietersen, 34, played together in a team that reached No.1 in the world in 2011 under former captain Andrew Strauss, and also enjoyed three Ashes series wins.

"I'm very proud of that era," said Cook.

"I really only have fond memories, but I do believe it's kind of been tarnished and I'm sad about that."

Asked about Pietersen's claims a senior clique of bowlers "bullied" younger members of the squad, Cook said: "International cricket is a tough place.

"As a team, you are striving for excellence at all times.

ALLEGATIONS: Pietersen

Committed

"At some stages those frustrations boiled over more than they should have done.

"But it was only people who were desperate to succeed and wanting to know the other 10 blokes around them were committed 100 per cent to it also.

"Did it overstep the mark a couple of times? Possibly, but we addressed those issues.

"That is what happens in teams, but it certainly wasn't a bullying environment as such."

Cook also defended ex-coach Andy Flower, who Pietersen targeted for plenty of criticism.

He added: "I've known Andy since he was in the Essex dressing room and I've only got respect for him.

"Chatting to some of the other players about it, they feel the same.

"A lot of our success was down to his drive and his determination to make us a tough side."

FORMULA ONE

Russian Grand Prix – Today, 12pm, Live on BBC1

BOTT MAKES AN ARSE OF BIG CHANCE

VALTTERI BOTTAS threw away a great chance to break Mercedes' Russian dominance.

Lewis Hamilton – who eventually ensured another pole start – and team-mate Nico Rosberg had been head and shoulders above the rest all weekend.

But Bottas came within a whisker of upsetting the odds and nicking the first pole position of his F1 career.

The Williams driver was in sight of top spot on his final qualifying run – but a major error on the final corner will see him start third behind the Mercedes pair today.

The Finn said: "Maybe I got too much out of the tyres at the start of the lap, so the end was a bit more tricky.

"I risked it too much in the last two corners. I went a bit wide in the last one and that was it.

OUT IN FRONT: Hamilton

Amazing

"I'm upset. It's not nice to make a mistake like that."

After winning the last three races to open up a 10-point world championship lead over Rosberg, Hamilton was delighted to again be out in front.

The Brit said: "Pole is always a great place to be. That's thanks to the amazing job done by the team, who have been constantly improving.

"I'm really grateful I've got the first ever pole at this track." Fellow Brit Jenson Button will start fourth in his McLaren, with home favourite Daniil Kvyat securing his best starting place in fifth in his Toro Rosso.

McLaren team-mate Kevin Magnussen was sixth, but will drop to 11th due to a five-place grid penalty.

That promotes Red Bull's Daniel Ricciardo, the Ferraris of Kimi Raikkonen and Fernando Alonso, and the Toro Rosso of Jean-Eric Vergne into the top 10.

TOON REUNION FOR KETSBAIA

TEMURI KETSBAIA has been spotted in Newcastle – but the Toon cult hero insists he's not after Alan Pardew's job.

Well, not for the time being, at least.

Ketsbaia – famed for his advertising hoarding demolishing goal celebration in 1998 during his three-year playing stint at St James' Park – returned to Newcastle this week, chatting to fans in the city centre.

But the Georgia boss – whose side faced Scotland in a Euro 2016 qualifier at Ibrox yesterday – revealed he was just visiting friends in the area.

By JASON MELLOR

The fiery 46-year-old *(above)* said: "It is every coach's dream to manage in England and, for me, Newcastle is a special club.

"They're a big club with fantastic supporters and maybe one day I can come back and take them over.

"I'd love to manage in the Premier League because of the passion."

Luk-ing good to hit the goal trail

BURNLEY boss Sean Dyche is backing striker Lukas Jutkiewicz to end his goal drought.

The £1.5million summer buy from Middlesbrough has been an ever-present for the Clarets so far this season.

But Jutkiewicz, 25, is yet to find the net and has had the most goal attempts of any player in the Premier League without scoring at 18.

Dyche believes the former Swindon and Coventry frontman *(above)* – who scored seven times on loan at Bolton last season – will come good if he starts to believe in himself.

Dyche said: "He's doing well. I said to him after the game at Leicester, 'Just believe slightly more'.

"He's had chances and turned in the box a couple of times, but I told him it will come.

"He's a young man learning his trade at a higher level. It's a tough level, make no mistake.

"But he's going about his business in the right manner."

ARS READY TO BUY £25M KAR

ARSENAL boss Arsene Wenger is desperate to seal a January deal for Real Madrid striker Karim Benzema.

The France hitman *(above)* has been on Wenger's radar for years – but has proved impossible to get.

Now it seems Real are finally willing to let him go, prompting Wenger to get ready a £25million bid.

Reports in Spain say he has already been in contact with the striker to sell him the idea of a switch to the Gunners.

Liverpool and Chelsea are also interested, but Wenger is confident of getting his man.

By JON WEST

Cristiano Ronaldo recently hailed Real team-mate Benzema the top striker in La Liga.

Wenger is also keen on Schalke star Julian Draxler, who almost joined in the summer.

Draxler would cost £37m and his arrival would put pressure on £42.5m flop Mesut Ozil, who is currently out injured.

Danny glad to be hunted by Foxes

LEICESTER defender Danny Simpson admits his move from QPR surprised even him.

The right-back *(above)* made the switch from London in August but is still awaiting his Foxes debut.

He said: "Football is football and you never know what will happen, but it was a shock when QPR told me I was leaving.

"I pretty much played every game last year and I was expecting to start this season, but it has worked out better for me because Leicester is a club going in the right direction from top to bottom.

"They are a great set of lads here and I wanted to be in a team that is progressing and wants to do well in the Premier League.

"I think we have shown that already. It has been a good start. To beat Man United at any time is great but to do it in the way we did, it was tremendous.

"The home form is the key and we are making home a bit of a fortress, especially with the fans. The atmosphere at the KP has been class, electric."

SEIZING HIS CHANCE: Tyler Blackett

By PETE OLIVER

ROOKIE Manchester United defender Tyler Blackett is determined to stay in the first-team picture at Old Trafford as he closes in on a new deal.

Blackett started United's first five Premier League games of the season as he seized his chance following a defensive injury crisis.

The homegrown 20-year-old then got sent off at Leicester before returning via the bench in last weekend's 2-1 win over Everton which lifted United into the top four.

Blackett is now set to be rewarded with a new long-term contract by boss Louis van Gaal.

Blackett keen to nail down regular place in United squad

But he doesn't intend to rest on his laurels and will keep pushing for more action, despite the imminent return from injury of Phil Jones and Chris Smalling.

Blackett – whose current deal runs out at the end of the season – said: "I am really happy to be playing in the first team and playing games.

"But I know that I must improve even more so that I can stay in the group.

"I have just got to kick on and do my best in every game that comes my way.

"Hopefully, that will be enough to impress the manager and convince him that I should stay in his squad.

Impressed

"From day one, the manager said that he was going to give young players a chance – and he has kept his word, which is pleasing for us all to see.

"I am just pleased that he has recognised me and the other young players who can help the team."

Blackett impressed Van Gaal during pre-season as the new United boss quickly weighed up the resources at his disposal.

And the England Under-21 international, who has previously been loaned out to Blackpool and Birmingham, is enjoying working under the Dutchman.

Blackett added: "He is very encouraging and pushes you to do well.

"There are times when you need a push if you are not doing so well, so I've enjoyed working with him.

"Is he scary? He has his moments when he tells you the truth, but I think that is good for players because you always want to know where you stand with a manager.

"When you see the club spending money in the transfer window, some players might look at that and think they won't get their chance to impress – but I've never felt like that.

"This club always gives young players a chance and I'm hoping to take advantage of that."

Former United defender Rio Ferdinand is backing his old club to come good.

Ferdinand ended a 12-year stay at Old Trafford in the summer and joined QPR.

The 35-year-old said: "They've made some stellar signings and I think all the players they've signed will, in time, be hugely beneficial to the squad.

"The manager's history shows he gets things right."

MAN CITY ALMOST GOT ROO

FORMER chief exec Garry Cook claims that Manchester City once thought they were close to signing Wayne Rooney.

By GRAHAM CHASE

And he also insists that Brazil superstar Kaka now regrets not moving to the Etihad Stadium.

City were interested in signing Rooney *(left)* from bitter rivals United when the striker asked to leave Old Trafford in 2010.

Rooney eventually signed a new deal and has now been made captain of United, while City have gone on to win two league titles in the last three seasons.

After City had been taken over by the Abu Dhabi United Group in September 2008, the Blues tried to sign Kaka – then one of the top players in the world – from AC Milan in January 2009.

When the deal failed, Cook, who resigned in 2011, accused the Italian club of "bottling it" – and has suggested the Brazilian midfielder *(right)* wishes he had made the move.

Speaking to the Blue Moon podcast, Cook said: "It was an attempt to try to get one of the biggest players in the world at the time.

"There's a realism to knowing we had a slight chance, but it represented our ambition.

Bottled

"All of a sudden there was a new kid on the block.

"It was great learning for all of us. The club

AND KAKA, SAYS COOK

learned a lot and I've bumped into Kaka and he said, 'Sometimes I wish I'd come'.

"I was allowed to say they bottled it, because I thought they did.

"Wayne is a great player. We have a personal friendship with his agent Paul Stretford and you'd like to think there was an opportunity for us.

"I can safely say that we thought perhaps we were closer than maybe they did.

"That's irrelevant, because you never really know the truth.

"He's a great player. If you want players to change the dynamics of the team, Wayne Rooney was one of them.

"But he seems to have done alright for himself."

Cook resigned from City after emails mocking the illness of defender Nedum Onuoha's mum were leaked to the media.

He insists he made his peace with Mrs Onuoha, who has now died, but still feels sorry for what happened.

Cook added: "There are no excuses for my actions – they were poor and they were misjudged."

High time we gave the minnows their own competition!

WHAT exactly is the point of San Marino? Seriously, with the greatest respect to them and the other minnows of European – and world – football, their existence at the top level is utterly pointless.

England's routine rout of the collection of sparkies, chippies, teachers and accountants will do nothing for either team, apart from further fatigue or threaten injury to the already over-protected Premier League players.

Follow it up with today's match in Estonia and you're risking making international football more farcical than Eurovision.

The minnows should have their own competition. A European (and world perhaps) version of the Johnstone's Paint Trophy.

Some genuine competition – along with a realistic chance of actually winning something – is bound to improve the game in the footballing third worlds of Gibraltar and Andorra.

Meanwhile, the top European countries can either enjoy a much more competitive, scaled down qualification campaign, or just go straight to a super-sized finals tournament.

Invite the winner of the minnows cup as a wild card entry and Bob's your uncle.

In fact, why not alternate it with the World Cup and have them both every two years?

It's the perfect solution to disruptive qualifiers interrupting the league season – and club v country rows.

It might also shut the door on any ideas the bods at UEFA might be having about a European Club Super League.

PFA chief Gordon Taylor has responded angrily to criticism at his calls to allow Ched Evans to restart his football career after he's released from prison.

He rightly says that Evans will have served his time and should not be punished further – just as any ordinary person.

The difference is, you or I probably wouldn't be able to simply slip back into our old well-paid career fresh from clink. It'd be minimum wage dogsbody shifts if we were lucky.

So why should he just carry on with his privileged lifestyle as if nothing happened?

Rest assured the terraces will ensure that his punishment continues for a while in some form at least.

EVANS HELP US: Ched Evans should walk straight back into football, says Gordon Taylor *(inset)*

Prem on tour is all about cash – so it's a cert then!

BACK in 1988, the fat cats of the game tried – and failed – to get their Super League.

But, as with all spoilt bastards, they got their way in the end with the formation of the Premier League four years later.

So why are we even discussing the idea of playing top-flight games abroad?

The idea was thrown out back in 2008. But now it's back, with the carrot of England games shared around the country again – as long as the FA secure an NFL franchise at Wembley for 2018.

It's a crap idea, concocted to make Richard Scudamore and his cronies even more money.

In which case, it's bound to happen.

At least, that's the message we seem to be getting from the press and TV news.

I heard celeb bellend Piers Morgan was suspected to have contracted the Ebola virus after suffering four nights with diarrhoea.

PRICEY: Marco Reus has a £25million buyout clause in his Dortmund contract

ASH WILL STAY

By PHIL CADDEN

ASHLEY WILLIAMS has pledged the rest of his career to Swansea.

The Wales captain has been linked with Premier League clubs including Liverpool, Arsenal, QPR and Sunderland.

But the centre-back *(right)* has revealed he wants to stay at the Liberty Stadium for the rest of his playing days.

The Swansea skipper, 30, is under contract until 2018 after signing a new long-term deal in July.

Williams said: "I want to stay at Swansea for the rest of my career.

"I've been here nearly six years, I love the city and I'm more settled now than I've ever been.

"As long as they want me, I'll end my playing days here." Swansea striker James Loveridge aims to catapult himself into Garry Monk's first-team squad by banging in the goals for Newport County.

Loveridge, who is on a month-long loan with the Exiles, said: "Garry told me to get out there, get some games and come back a better player.

"I want to do myself justice and then get back and get in that team."

Liverpool will break bank to Kop Marco

LIVERPOOL are ready to break the bank for Marco Reus to tempt the Borussia Dortmund star to Anfield next summer.

Reds boss Brendan Rodgers is a huge fan of the German playmaker, who has a clause in his contract which means he can leave the Bundesliga club for £25million at the end of the season.

Reus currently earns £60,000 a week at Dortmund and has his heart set on a move to the Premier League. Liverpool have already indicated to Reus's agent that they are prepared to offer him a whopping £200,000 a week if he joins them.

That would make Reus the highest paid player on the club's books, although any deal is dependent on the club still being in the Champions League.

Reus has been one of the key performers for Dortmund since breaking into the first team, with a stunning 43 goals and 40 assists in 96 matches.

Devastating

Liverpool face competition for the player's signature from Manchester United and Chelsea, but Kop boss Rodgers is prepared to guarantee him a place in the starting line-up, which has put the Reds in pole position.

Liverpool striker Fabio Borini believes Rodgers should put his faith in the "Italian job" to solve their current struggles in front of goal.

Borini believes he can form a devastating partnership with compatriot Mario Balotelli and the duo deserve the chance to play together.

"I have played with Mario before and found it worked really well on the pitch," Borini said.

"Not just because of the language, but because we were born with the same idea of football, as Italians, so it's really easy to understand each other without even talking.

"He's a player who can change the game whenever he wants.

"It's a tough league – maybe the toughest in Europe – and I think Mario understands that.

"In the games, he runs a lot and is really giving himself to the team. He is being very unselfish."

Borini also admits he is picking up training ground tips from fellow strikers Rickie Lambert and Daniel Sturridge.

He added: "I know there are some things that Rickie might do better than me, so I can learn from him.

"It's the same with Daniel and Mario. We all learn from each other if we have the right attitude.

"We can all play together. I've played in lots of teams but that's something I've never seen before, such a different selection of strikers."

CROWD FAVOURITE: Gareth Bale

BALE WON'T FAIL AGAIN, BOOMS COLEMAN

Wales v Cyprus

GROUP B: Monday, 7.45pm – Live on Sky Sports 5

CHRIS COLEMAN has sent a chilling warning to Cyprus, declaring: Gareth Bale doesn't fire blanks twice in a row!

The Wales and Real Madrid superstar couldn't hit his normal dazzling heights in the goalless draw with Euro 2016 rivals Bosnia on Friday night.

But Dragons boss Coleman insists Bale, who has scored 11 goals in his last 16 caps for his country, can strike at any moment.

"Gareth has had better nights for us, but he can win a game even if he's having the worst night of his life," said Coleman.

"That's why Cyprus have to worry about him. They'll know all about him.

"He has an incredible appetite for football and is an unbelievable athlete.

Roar

"He doesn't normally have two bad games.

"He can do nothing for 89 minutes and then bang, he does it.

"He created chances for Ashley Williams and Hal Robson-Kanu and, but for a world-class save by Asmir Begovic, he scores the winner."

Bale has called on his country's "amazing" supporters to roar them on again tomorrow night. Having the world's most expensive player in the side has helped boost ticket sales, with 30,741 inside the Cardiff City Stadium to watch the Bosnia game on Friday – the nation's biggest attendance for three-and-a-half years.

CONFIDENT: Coleman

And £86million man Bale has urged them to come out in big numbers again.

The 25-year-old said: "I can't begin to tell you how good the crowd was – they were amazing.

"The atmosphere was electric. It was a special feeling.

"They got right behind us, kept us going and pushed us over the line to get a vital point. They deserve a lot of credit.

"Hopefully there'll be another big crowd here on Monday and we can do them proud again.

"If they keep turning up in those numbers and we keep performing like that, we'll go a long way."

ROD'S READY TO ROCK

JACK RODWELL admits it's taken him TWO MONTHS to finally get up to speed at Sunderland.

The England midfielder has struggled to make a real impact since making his £10million move to the Stadium of Light from Manchester City in August.

The 23-year-old was dropped to the bench as Gus Poyet's side won for the first time in the Premier League this season, beating Stoke 3-1 on Sunday.

By JASON MELLOR

Rodwell *(right)* has been working hard to increase his match sharpness during the international break.

And he reckons he's finally fully fit in time for the Black Cats' return to league action at Southampton next Saturday.

The former Everton star is playing catch-up after hardly featuring during a frustrating two-month spell at the Premier League champions, where he made just 10 starts in a blue shirt.

But he insists he's finally ready to make the most of his fresh start on Wearside.

Rodwell revealed: "I am definitely getting there and I should be properly ready by the time the next game comes around."

Rodwell scored on his home debut in Sunderland's 1-1 draw with Manchester United in August, but he failed to build on that impressive display and lost his place as Poyet's big shake-up paid dividends against Stoke.

Rodwell hopes to be back in the starting line-up soon, and added: "In the first few games, you're just feeling your way in and getting your fitness. I still am, but I'm feeling better each game.

"After the international break, hopefully I will be back to 100 per cent."

HUNGRY LION: Lallana has recovered from a pre-season injury to make an impact with England and Liverpool

Adam 'n Eve it: Lallana is a huge star!

By JON WEST

JORDAN HENDERSON reckons Adam Lallana is the man England can rely on to excel in Estonia.

The pair are club-mates at Liverpool as well as the Three Lions following playmaker Lallana's summer switch from Southampton.

They both featured in the World Cup finals, but Lallana has yet to establish himself at international level.

He is back to full fitness following an injury picked up in pre-season and defensive midfielder Henderson reckoned he could make the difference in Tallinn today.

He said: "Ads has been brilliant since he came to Liverpool.

"Obviously he picked up an injury, which was unfortunate for him and us, but he worked extremely hard behind the scenes to get back fit.

"Now he's back to where he wants to be – sharp and fit.

"You can see that when he's closing people down, putting pressure on them and attacking.

"It's a massive plus for Liverpool and England because he's a fantastic player.

"He's still progressing, so hopefully he will keep getting better." The pair

IMPROVING: Henderson

added to their caps tally in Thursday night's 5-0 victory over San Marino at Wembley.

That was little more than a slog as the minnows parked the bus all game.

Estonia will give England much more of a match, although they lost to Baltic neighbours Lithuania on Thursday.

Potential

But Henderson reckons England will rise to the challenge.

He said: "We feel we can still do a lot more and we can still improve.

"We have been very good in the last couple of games, but we are a long way off from where we want to be.

"But there is a lot of talent and potential in the group, so if we keep working hard on the training field and put it into the games, then we'll get there."

Henderson confirmed that Three Lions gaffer Roy Hodgson had already told his players not to expect another San Marino.

He added: "He has told us they will be very difficult to beat as they are a well-organised team, so we have got to be on top of our game to get a good result.

"It will be a difficult game but we will still go into it with confidence.

"We have got good enough players and a good enough team to go there and get a good result, and a good performance as well, which is important."

Henderson was replaced at half-time by Lallana in the San Marino game.

And he admitted it hadn't been a vintage performance by the boys in white shirts.

He said: "You end up maybe forcing things and trying passes you wouldn't normally make, but that's to try to unlock things and break them down.

"I felt we did that well at times in the game. We wanted to try some things we had worked on in training and we definitely did that.

"And we can do it even better against Estonia."

PARLOUR GAMES: Gunners legend Ray *(inset)* says Wilshere needs a run of games further up the pitch

ESTONIA v ENGLAND

TODAY, 5PM LIVE ON ITV

GOT TO GO FORWARD WITH JACK

Parlour tells Hodgson to put Wilshere on front foot

By JON WEST

ROY HODGSON has been told he has got it all wrong on Jack Wilshere's best position.

Hodgson has been using the Arsenal man as the base of a midfield diamond formation.

The 22-year-old did well in that role in last month's 2-0 win in Switzerland.

But ex-Arsenal and England midfielder Ray Parlour insists Wilshere is wasted in a defensive role.

Parlour said: "I really believe his best position is as a more advanced midfielder.

"His game is best when he is doing those little one-twos around the penalty box.

"He knows exactly when to give it, he holds onto it enough and he does those driving runs forward – that is Jack Wilshere at his best.

"I always think you have got to be playing on a regular basis in that position if you're going to be playing for your country.

"Roy has got to make a big decision."

Hodgson is expected to stick with Arsenal's Calum Chambers at right-back after he made his full debut against San Marino on Thursday.

Parlour added: "Calum has been absolutely superb. He has been a great signing for Arsene Wenger – another good youngster in the side.

"He gives Wenger a headache as to what his best position is. It's all about learning his trade, he is still a young lad.

"It won't harm him if he plays centre-half or right-back at the moment. You learn a different sort of way to play.

"Right now I think he will be a better right-back. He just needs a little bit in the last third and to stop the bookings."

Andros Townsend will be hoping to make an impact again after coming off the bench to score in the 5-0 thrashing of San Marino.

Rates

The winger has hardly kicked a ball for Tottenham this term after missing the World Cup because of injury.

But Hodgson still rates him and could even start the 23-year-old in Estonia today.

Townsend said: "Team spirit is improving all the time and we're all getting to know each other. It's a relatively new squad and I'm sure over time that we'll become an even better team than we are now."

Estonia boss Magnus Pehrsson is hoping for a happier 90 minutes than the one time he played a club game in England.

The Swede was picked for just one match when he was at Bradford City in 1996 when Chris Kamara was boss – and ended up being ridiculed by an England great.

He said: "The biggest memory was that I got to play with Chris Waddle in midfield.

"He was a bit older but he was a terrific player.

"We got this really dangerous free-kick situation and I was confident enough to tell him that I should take it.

"He said 'Okay, go ahead son', and then I kicked it 10 metres over and he did this field-goal sign."

AND HIM A CAP: Hodgson *(inset)* could give Townsend a start in Tallinn today

Red-hot Stew not expecting call from Roy

STEWART DOWNING reckons he's too old for an England call-up.

The 30-year-old *(below)* has been in superb form for West Ham this season, with many demanding he be recalled to the international scene.

But the attacking midfielder can't imagine he'll be getting a bell from Roy Hodgson any time soon, despite bing capped 34 times for the Three Lions.

Downing said: "Obviously I'd love to be involved again. It's the pinnacle of every player's career to represent their country, so to have won 34 caps is something I'm very proud of.

"Realistically, I don't think I'll get picked at the moment.

"Roy Hodgson is going for younger players, which is fair enough. That's his decision.

"All I can do is try my best, keep playing well and we'll see what happens from there.

"I'm feeling good at the moment and it's always nice to have your efforts acknowledged. I'm certainly enjoying my new position and it's something I spoke about when I signed here."

Downing has been pushed inside for the Hammers this season as boss Sam Allardyce looks to add goals.

And the former Liverpool and Middlesbrough midfielder added: "The system we're playing has helped a lot as it creates more options for me.

"I have three lads in behind me and I receive the ball a lot higher up the field."

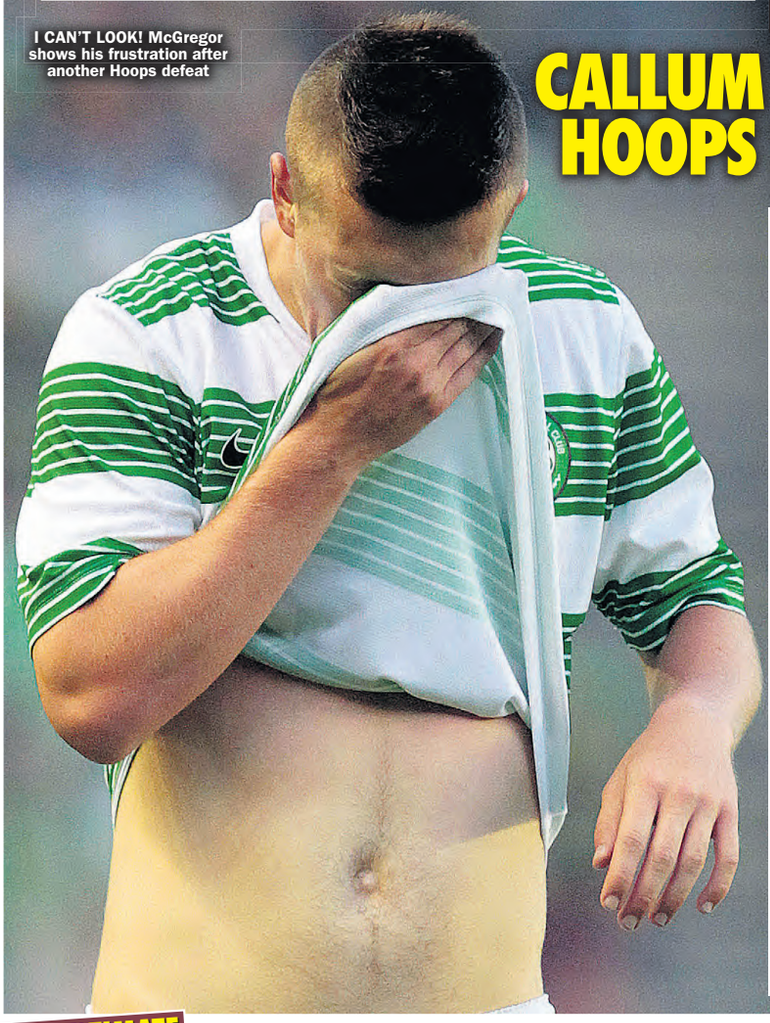
EUR HAVING A SHOCKER! Celtic were dumped out of the Champions League by Maribor

Unacceptable!



I CAN'T LOOK! McGregor shows his frustration after another Hoops defeat

CALLUM PLEADS FOR FANS TO BACK HOOPS DESPITE THEIR POOR START

By ANGUS REID

CALLUM McGREGOR has urged Celtic fans to get behind the team, despite their "unacceptable" start to the season under new boss Ronny Deila.

The Hoops are sixth in the Scottish Premiership, six points behind leaders Hamilton who they lost 1-0 to at Parkhead last weekend.

And they also got dumped out of the Champions League in the qualifying stages by Maribor.

But McGregor – who has missed the last two matches due to illness – insists the squad is slowly gelling and will go on a run to haul themselves back to the top of the table.

"It's obviously disappointing that the Hamilton game didn't go the way that we wanted it to go, but during the international break I think it's important that everyone reflects on it," the 21-year-old said.

Believe

"We're all right behind the manager and all we want to do is go and get a good run of results now.

"At Celtic, we know this a massive club and people are going to doubt you when you start to lose games and don't pick up the usual points.

"Everyone in here knows that it's not been acceptable so far. It's just going to take a wee bit of time, but we all believe that we are going to get there.

"Everyone is talking about the transitional period we are in.

"I know it comes across as a bit of a cliche, but the fact is people have to gel and we are slowly but surely getting there.

"I think you can see that in some of the games we have played very well at times, even though some of the results have not gone our way.

"You can see what the manager is trying to do.

"Everyone has to remain upbeat and not get too disappointed when it doesn't go our way."
